 - i. First, by implementing uniform personnel policies that are applied in as consistent and impartial a manner as is practicable, the goal is to promote the best possible working relationships and highest morale among all Town employees. This manual was created for personnel not covered by any other bargaining agreement. Furthermore, it is not the intent or purpose of this personnel policy and procedure manual to supersede or overrule any state or federal laws. It is, however, the intent of this personnel policy and procedure manual to provide support, direction, and procedures that will enable the Town to practice fair and consistent daily personnel administration.
 - ii. Second, by providing employees with fair and equal opportunities in their recruitment and advancement, by evaluating their services on the basis of merit and fitness, and by giving consideration to their needs and desires, the goal is to provide an employment atmosphere that increases the cooperation and productivity of the employees together with the prospects for career opportunities within the Town and each office or department of Town government.
 - iii. Third, by providing dependable and courteous services to the residents of the Town, the goal is to enhance the reputation and stature of the Town's departments and offices within the community.

V. Discrimination/Sexual Harassment

- A. The Town Council believes that all our employees should be able to work in an atmosphere free from all forms of employment discrimination, including sexual harassment. The Town of Culver's policy is to forbid sexual harassment and any type of discrimination. This policy extends to every level of our operations. Accordingly, discrimination and sexual harassment, whether by a fellow employee, supervisor, or council member will not be tolerated. Activities of this nature serve no legitimate purpose; they have a disruptive effect on the employee's ability to perform, and they undermine the integrity of the employment relationship.
- B. The Town Council takes allegations of discrimination and sexual harassment very seriously. Any employee who believes that he/she is a victim of discrimination or sexual harassment should immediately bring the matter to the attention of their Elected Official/Department Head, or in the case where the Elected Official/Department Head is the problem, contact the Council President or Town Attorney. All such matters will be treated confidentially, and with the utmost discretion. The Town Council/designee will actively investigate all discrimination and sexual harassment complaints, and if determined that discrimination or sexual harassment has occurred, the Council will take appropriate disciplinary action against the offending party, up to and including termination.

3. The Town Council will render a final disposition at the close of the executive session hearing.

E. The Town Council's decision will be carried out immediately.

IX. Americans with Disability Act (ADA)

- A. It is the policy of the Town of Culver that qualified individuals with disabilities are not to be excluded from participation in, or benefit from, the services, programs, or activities of the Town. It is the policy of the Town not to discriminate against a qualified individual with a disability in: job application procedures, the hiring, advancement or discharge of employees employee compensation, job training and other terms, conditions and privileges of employment. It is the intent of the Town to comply with all applicable requirements of the Americans with Disabilities Act (ADA).
- B. The Town will reasonably accommodate persons with a disability on a case-by-case basis, which may include making facilities readily accessible to individuals with a disability, restructuring jobs, modifying work schedules and/or equipment, or similar accommodations.
- C. Employees should contact the ADA Coordinator for assistance when an accommodation is necessary. Such employees are required to provide pertinent medical information.
- D. Accommodations may not create an undue hardship for the Town or other employees. An individual who cannot be reasonably accommodated for a job, without undue hardship, will not be selected for that position.
- E. All employees are required to comply with safety standards. Applicants, who pose a direct threat to the health or safety of other individuals in the workplace and where the threat cannot be eliminated by reasonable accommodation, will not be hired. Current employees who pose a direct threat to the health or safety of the other individuals in the workplace will be placed on the appropriate leave.
- F. Further, disabled individuals cannot pose a direct threat to the safety of themselves or others. Generally, a "direct threat" means a significant risk to the health or safety of others that cannot be eliminated by reasonable accommodation. Benefits provided to disabled individuals who are qualified to perform the work must be consistent with the benefits provided to other employees. Any individual who believes he/she has received treatment inconsistent with the policies set forth above or any other requirement of ADA, may file a complaint with the ADA Coordinator.

X. Nepotism

A. Purpose:

1. All decisions about hiring, promoting, evaluating, awarding salary increases, job assignment, terminating employees, and awarding of contract for goods, services, and public works projects should be based on the qualifications, performance, and ability of the employee or contractor. Every attempt to avoid favoritism and conflicts of interest in employment related contractual decisions instills confidence of the electorate in its government. The purpose of this policy is to prohibit certain individuals from being employed by the Town of Culver in a position in which a relative, as defined in this section, provides direct supervision. Additionally, this policy regulates contracting with relatives of individuals employed by the Town of Culver for goods, services, and public works projects.

B. Definitions:

1. **Break in Employment:** Termination, retirement, or resignation of an employee from the Town. A break in employment does not occur due to absence from the workplace while on a paid or unpaid leave, including but not limited to: vacation, personal days, sick or family medical leave, or worker's compensation leave, or if the employment is terminated, followed by immediate re-employment by the Town without loss of payroll time.
2. **Town:** The Town of Culver and its boards and departments.
3. **Direct Line Supervisor:** An elected officer or appointed employee who is in a position to affect the terms and conditions of another individual's employment. Such affect may include, but is not limited to, making decisions about work assignments, compensation, grievances, advancement, or performance evaluation. Decisions and action taken by the Town Council regarding the passage of annual salary ordinances, annual budgets, and personnel policies are excluded from this definition.
4. **Elected Official:** Town Council Members, Town Clerk-Treasurer.
5. **Employed:** An individual who works for or is appointed to any department or board of the Town on a full-time, part-time, temporary intermittent, seasonal, hourly, or contractual basis.

C. Unless otherwise specified by State law, relatives will not be hired, promoted, or transferred to positions that:

1. Place them in direct or indirect supervisory or managerial capacity a relative.
2. Allows them to directly or indirectly influence salary adjustments, career progress, or other managerial activities involving a relative.
3. Require them to audit or review the work of another relative.

D. If an existing Council Member has a relative working for the Town, that Council Member shall abstain from any vote affecting that employee's pay wage, benefits, promotion, demotion, etc.

E. There is a "Grandfathering clause" for current Elected Officials or employees with family relationships that would otherwise be in violation of the nepotism policy unless there is a break in the office holding or in employment. Grandfathered employees may remain in their positions and they may be promoted as long as they do not report directly to the family member. Employees hired after July 1, 2012, who in later years have relatives elected that are in the direct line of supervision, will have no promotion possibilities unless the promotion is within the merit ranks for police and fire departments.

F. Contracting Policy: The Town may enter into or renew a contract for the procurement of goods, services, or public works projects with a relative of an Elected Official or a business entity in which a relative has an ownership interest if:

1. The Elected Official files with the Town a full disclosure which must be:

 - ii. Issues a certified statement detailing the reasons why the particular vendor or contractor was selected.

G. State statute requires that each Elected Official of the unit must annually certify in writing, subject to the penalties for perjury, that the officer has not violated the nepotism law and submit the certification to the Clerk-Treasurer no later than December 31 of each year.

XI. Employer-Employee Relations

- A. The Town is committed to a mutual rewarding and direct relationship with its employees. Thus, the Town attempts to be receptive to constructive suggestions, criticisms, and questions. Town Manager will conduct regularly scheduled departmental meetings to keep employees informed about items of interest and discuss issues of concern to employees. The Town, as part of its commitment to delivering the highest level of services to our residents and guests, expects all employees:
1. To treat all residents, guests, and suppliers as customers of all Town services
 2. To represent the Town in a positive and ethical manner

hours, or at any time while on Town premises. Alternatively, when the employee is performing his/her job functions while off Town premises, a commission of the above unlawful acts will also constitute a violation of this policy. Violation of this policy is strictly prohibited. Violation of this policy may result in disciplinary procedures up to and including termination.

- C. The Town recognizes alcohol or drug dependency as an illness and a major health problem. Additionally, the Town also recognizes alcohol or drug abuse as a potential health, safety, and security problem. The Town understands that some employees are hesitant or afraid to ask for help even when they are aware that they may have a drug and/or alcohol problem. Employees needing help in dealing with such problems will have one opportunity to ask for help without repercussion. The employee should contact the Clerk-Treasurer/Department Head for guidance and direction. Every effort will be made to confidentially refer the employee who needs and requests such help to qualify for help. The employee will have one chance to seek such help without jeopardizing his/her job.
- D. Any employee who is convicted of a criminal drug statute in the workplace must inform the Town within five days of such a conviction. When the Town learns of the conviction, appropriate discipline action will be taken by the Town against the employee.

E. Pre-Employment

Applicants may be required to submit to an alcohol and drug test prior to being offered a position with the Town of Culver.

F. Post-Accident Testing

Any employee who is in an accident while driving the Town vehicle must submit to a post-accident drug and alcohol test as soon as possible, but within two (2) hours after an accident, whenever:

1. He/she receives a citation for a moving violation involving the accident; or
2. Either a person is injured because of the accident (caused by Town employee) and the injuries require immediate medical treatment to the person away from the accident scene; or
3. One or more motor vehicles involved in the accident (caused by Town employee) incur disabling damage and must be transported away from the accident scene by a tow truck or another vehicle.
4. Any employee who must seek medical attention for a work related accident will be required to submit to a post-accident drug and alcohol test.

“Note the police can also request that a test be done following an accident.”

An employee who is required to take a post-accident drug and alcohol test will, at the Town’s discretion, either be assigned to a position which does not require driving Town vehicles, or placed on non-disciplinary suspension with pay while awaiting the post-accident test results.

An employee who tests positive for drugs and/or alcohol, or who refuses or fails to submit to a post-accident drug and alcohol test will be subject to disciplinary action, up to and including discharge.

G. Reasonable Suspicion Testing

The Town will administer an alcohol and/or drug test when there are specific and objective reasons to believe that an employee’s behavior is jeopardizing workplace safety. No test is to be performed until there is “cause” to believe that the employee is impaired and it is properly documented, preferably in writing by a Town Manager, Elected Official/Police Officer.

An employee who tests positive for drugs and/or alcohol will be subject to disciplinary action, up to and including discharge. Any employee who refuses testing will be terminated.

XIII. Commercial Driver's License (CDL)

- A. Any Town employee, who is required to drive a Town vehicle, which meets the federal regulations to be considered (heavy equipment), will be required to maintain a Commercial Driver's License (CDL). These employees will be required to participate in the Town's alcohol and drug-testing program as mandated by the Department of Transportation.
- B. If the employee is required by the Town to maintain a CDL as a condition of employment, the Town will pay for CDL physicals and CDL license renewal.
- C. The goals of the CDL drug and alcohol testing policy are to insure a drug and alcohol-free work environment, and to reduce and help eliminate drug and alcohol related accidents, fatalities, and damage to property.
- D. Under the Town's Policy, drug and alcohol testing will be conducted on any current and/or prospective driver who may be required to operate a motor vehicle having a gross vehicle weight rating in excess of 26,000 pounds in interstate or intrastate commerce, and on any driver of a motor vehicle that is used to transport hazardous materials in a quantity which requires the vehicle to be placard regardless of the vehicle's size.
- E. All applicants for positions with the Town which will include driving Town equipment, and which meets the above requirements will be notified of the Town's drug and alcohol use and testing policy at the time they apply. They will be required to pass an alcohol and drug test before becoming employed by the Town.
- F. A CDL Driver must maintain his/her CDL license status or face a change of job classification or termination if the employee's job duties require a CDL license.
- G. The Town will implement the following policies:

1. Post-Accident Testing

Any employee carrying a CDL must submit to a post-accident drug and alcohol test as soon as possible, but within two (2) hours after an accident, whenever:

- a. he/she receives a citation for a moving violation involving the accident; or
- b. either a person is injured because of the accident (caused by Town employee) and the injuries require immediate medical treatment to the person away from the accident scene or
- c. one or more motor vehicles involved in the accident (caused by Town employee) incur disabling damage and must be transported away from the accident scene by a tow truck or another vehicle.

A supervisor on the scene can ask the employee to submit to drug and/or alcohol test if they believe the situation warrants one even if there is no personal injury or disabling vehicle damage.

“Note the police can also request that a test be done following an accident.”

An employee who is required to take a post-accident drug and alcohol test will, at the Town's discretion, either be assigned to a position which does not require driving Town vehicles, or be placed on non-disciplinary suspension with pay while awaiting the post-accident test results.

An employee who tests positive for drugs and/or alcohol, or who refuses or fails to submit to a post-accident drug and alcohol test will be subject to disciplinary action, up to and including discharge.

2. ***Random Drug Testing***

The Town is required to test CDL employees on a random basis, and all such tests will be unannounced. Every employee will have an equal chance of being selected every time the selection is conducted. Appropriate safeguards are also present to ensure that the identity of the individual drivers cannot be determined before, or at the time of their selection. When a driver is randomly selected to be tested, he/she will be notified and instructed to report to the collection site immediately.

An employee who tests positive for drugs and/or alcohol, or who refuses or fails to submit to a random drug and/or alcohol test will be subject to disciplinary action, up to and including discharge.

3. ***Reasonable Suspicion Testing***

Each CDL employee is required to submit to a drug and alcohol test whenever the Town has reasonable suspicion to believe that the driver has used drugs and/or alcohol in violation of DOT regulations and/or this policy.

Reasonable suspicion will exist when an employee's appearance, behavior, speech, or body odors indicate drug or alcohol use, or the withdrawal effects of drugs. Such observations must be personally observed and documented by at least one department head who has received training covering the physical, behavioral, speech, and performance indicators of probable drug and alcohol use. (If the trained individual is not available, the supervisor who observes the impairment will use his/her best judgment to determine whether a test is necessary.)

An employee who is required to submit to a reasonable suspicion test will be escorted by his/her supervisor to the appropriate specimen collection site for the drug and alcohol test.

The supervisor will arrange the transportation of the employee home at the completion of the test.

An employee who is required to take a reasonable suspicion test will be considered by the Town as unqualified to work and placed on immediate suspension, without pay, pending the results of the test. An employee whose test results are positive will not be reimbursed for the time of the suspension.

An employee who tests positive for drugs and/or alcohol, or who refuses or fails to submit to a reasonable cause drug and alcohol test, will be subject to disciplinary action, up to and including discharge.

Benefit hours (vacation, holidays, sick day, comp time, and personal days) are not considered time worked for computing overtime.
- B. Overtime is generally discouraged and is usually performed only when the supervisor determines it is necessary. Overtime compensation must be authorized by the Department Head or the Clerk-Treasurer prior to payment of said overtime hours. Failure of the employee to secure authorization prior to performing overtime shall subject the employee to disciplinary action.
- C. Exempt employees are not subject to the overtime payment requirements of the FLSA due to the nature of their work. These employees are expected to have flexible working hours, which may exceed forty-(40) hours in a week. These individuals do not expect to receive overtime pay.
- D. In order to remain consistent and provide equal consideration as well as equal opportunity to all employees, the following overtime policy will be effective immediately:
 - 1. Call out lists of employees' names will be listed in order of priority, reflecting the employee's normal job description and/or knowledge of related tasks to be performed.
 - 2. Based upon the type of complaint received, the employee's name appearing first on the list will be called to respond, with such calls continuing until an employee is contacted who can respond.
 - 3. If an employee refuses to respond, such refusals may become reason to lower the employee on the call-out lists. If the complaint called in poses as a safety hazard to the public, and a trained employee in that area refuses the call-out and no other qualified employee is contacted, the first employee will be re-contacted. A second refusal without a credible excuse could result in disciplinary actions.

III. Flex Time

- A. The Town may utilize "time-off" or flexible hours in order to avoid having non-exempt employees work in excess of forty-(40) hours in a workweek.
- B. The supervisor must approve flextime scheduling.
- C. The supervisor should make every effort to ensure that employees utilize flextime so as not to work overtime.

- D. Flex time must be taken within a forty-(40) hour pay period.
- E. Flex time is paid as time for time.
 - 1. Example: If an employee works four (4) hours overtime in a day, then the employee may be required to take off four (4) hours on another day within that workweek, thus keeping his/her hours worked at forty (40) hours for that week.

IV. Compensatory Time

- A. In special cases, the Town may allow compensatory time in-lieu of a monetary overtime. An example of how compensatory time works is as follows:
 - 1. Employees shall receive compensatory time-off equal to one and one half (1½) times hours worked in excess of forty-(40) hours in a week.
- B. Non-exempt employees may take compensatory time-off and can take unused compensatory time-off after a proper request has been submitted and approved by their supervisor.
- C. Compensatory time may be accrued to a maximum of eighty-(80) hours. Supervisors are responsible for requiring employees to use banked time as soon as possible after it has been earned.
- D. Any employee who uses compensatory time must sign a compensatory agreement form.
- E. Upon termination of employment, the non-exempt employee is entitled to receive payment for accrued and unused compensatory time at the regular hourly wage rate in effect at the date of termination or the average of the past three (3) years, whichever is greater.

V. Emergency Call In

- A. If a nonexempt employee is called in to work during an emergency, he/she shall be compensated for a minimum of two (2) hours.
- B. Employees will be paid time and one and one half (1½) or all hours worked.

VI. Garnishments

A court ordered legal claim against the wages of an employee by legal authority is a garnishment and shall be recognized and executed by the Town. When a garnishment is received for an employee, the Clerk Treasurer's office will notify the employee.

VIII. Indiana Military Family Leave Act

- A. An eligible employee, who is a family member of a person on active duty in the United States Armed Forces, or the National Guard, may be eligible to take leave of up to ten (10) workdays per rolling calendar year under the Indiana Military Family Leave Act.
- B. An employee is eligible if he/she has been employed by the Town for at least twelve (12) months; has worked at least 1500 hours during the twelve (12) month period immediately preceding the day the leave begins; and is a spouse, parent, grandparent, or sibling of a military member called to active duty.
- C. Active duty is defined as full-time service on active duty orders in the armed forces of the United States, or the National Guard, for a period that exceeds eighty-nine (89) consecutive calendar days.
- D. The Act provides for unpaid leave of up to ten (10) workdays per rolling calendar year during one or more of the following periods:
 1. Within the thirty-(30) day period before active duty orders are in effect;
 2. During a period in which the person ordered to active duty is on leave while active duty orders are in effect; or
- E. During the thirty-(30) day period after the active duty, orders are terminated. The employee must provide the Town with at least thirty-(30) days' notice of the intention to take leave, unless the active duty orders are issued less than thirty-(30) days before the date the requested leave is to begin. In addition, the employee must supply the Town with documentation verifying the family member's call to active duty. Non-faculty employees will be required to use available vacation, personal leave, and or compensatory time to cover the leave period being taken. Any time taken which is not covered by paid leave time will then be treated as unpaid leave.
- F. The Town hereby states that it will continue the employee's benefits during the period of the leave (with the employee being responsible for payment of the employee portion of health benefits during the period of any unpaid leave).
- G. Upon the employee's return to work, the Town may place the employee in a different position only if the Town can prove that the move was unrelated to the employee's use of military family leave. If the Town cannot make such a showing, the employer must return the employee to the position previously held or an equivalent position.

IX. Military or Reserve Service

- A. The Uniformed Services Employment and Reemployment Rights Act (USERRA) are administered by the Veterans' Employment and Training Service (VETS). USERRA applies to persons who perform duty, voluntarily or involuntarily, in the "uniformed services," which include the Army, Navy, Marine Corps, Air Force, Coast Guard, and Public Health Service

commissioned corps, as well as the reserve components of each of these services. Federal training or service in the Army National Guard and Air National Guard also gives rise to rights under USERRA. In addition, under the Public Health Security and Bioterrorism Response Act of 2002, certain disaster response work (and authorized training for such work) is considered "service in the uniformed services."

- B. Uniformed service includes active duty, active duty for training, inactive duty training (such as drills), initial active duty training, and funeral honors duty performed by National Guard and reserve members, as well as the period for which a person is absent from a position of employment for the purpose of an examination to determine fitness to perform any such duty.
- C. USERRA covers nearly all employees, including part-time and introductory employees. USERRA applies to virtually all U.S. employees, regardless of size.
- D. USERRA prohibits employment discrimination against a person on the basis of past military service, current military obligations, or intent to serve. An employer must not deny initial employment, reemployment, retention in employment, promotion, or any benefit of employment to a person based on a past, present, or future service obligation. In addition, an employer must not retaliate against a person because of an action taken to enforce or exercise any USERRA right or for assisting in an USERRA investigation.
- E. The pre-service employer must reemploy service members returning from a period of service in the uniformed services if those service members meet five criteria:
 - 1. The person must have been absent from a civilian job on account of service in the uniformed services;
 - 2. The person must have given advance notice to the employer that he or she was leaving the job for service in the uniformed services, unless such notice was precluded by military necessity or otherwise impossible or unreasonable;
 - 3. The cumulative period of military service with that employer must not have exceeded five (5) years;
 - 4. The person must not have been released from service under dishonorable or other punitive conditions; and
 - 5. The person must have reported back to the civilian job in a timely manner or have submitted a timely application for reemployment, unless timely reporting back or application was impossible or unreasonable.
- F. USERRA establishes a five-year (5) cumulative total of military service with a single employer, with certain exceptions allowed for situations such as call-ups during emergencies, reserve drills, and annually scheduled active duty for training. USERRA also allows an employee to complete an initial period of active duty that exceeds five years.
- G. Employers are required to provide to persons entitled to the rights and benefits under USERRA a notice of the rights, benefits, and obligations of such persons and such employers under USERRA.
- H. USERRA provides that returning service members are to be reemployed in the job that they would have attained had they not been absent for military service, (the "escalator" principle), with the same seniority, status and pay, as well as other rights and benefits determined by seniority. USERRA also requires that reasonable efforts (such as training or retraining) be made to enable returning service members to qualify for reemployment. If the service member cannot qualify for the "escalator" position, he or she must be reemployed, if qualified, in any other

position that is the nearest approximation to the escalator position and then to the pre-service position. USERRA also provides that while an individual is performing military service, he or she is deemed to be on a furlough or leave of absence and is entitled to the non-seniority rights accorded other similarly situated individuals on non-military leaves of absence. The time limits for returning to work are as follows:

1. Less than thirty-one (31) days service: By the beginning of the first regularly scheduled work period after the end of the calendar day of duty, plus time required to return home safely and an eight (8) hour rest period. If this is impossible or unreasonable, then as soon as possible.
2. Thirty-one to one hundred eighty (31) to (180) days: The employee must apply for reemployment no later than fourteen (14) days after completion of military service. If this is impossible or unreasonable through no fault of the employee, then as soon as possible.
3. One hundred eighty-one (181) days or more: The employee must apply for reemployment no later than ninety (90) days after completion of military service.
4. Service-connected injury or illness: Reporting or application deadlines are extended for up to two years for persons who are hospitalized or convalescing.
5. Health and pension plan coverage for service members is also addressed by USERRA. Individuals performing military duty of more than thirty-(30) days may elect to continue employer sponsored health care for up to twenty-four (24) months; however, they may be required to pay up to one hundred two (102) percent of the full premium. For military service of less than thirty-one (31) days, health care coverage is provided as if the service member had remained employed. USERRA pension protections apply to defined benefit plans and defined contribution plans as well as plans provided under federal or state laws governing pension benefits for government employees. For purposes of pension plan participation, vesting, and accrual of benefits, USERRA treats military service as continuous service with the employer.
 - a. You have the right to be reemployed in your civilian job if you leave that job to perform service in the uniformed service and:
 - b. You ensure that your employer receives advance written or verbal notice of your service;
 - c. You have five (5) years or less of cumulative service in the uniformed services while with that particular employer;
 - d. You return to work or apply for reemployment in a timely manner after conclusion of service; and
 - e. You have not been separated from service with a disqualifying discharge or under other than honorable conditions.
 - f. If you are eligible to be reemployed, you must be restored to the job and benefits you would have attained if you had not been absent due to military service or, in some cases, a comparable job.

I. RIGHT TO BE FREE FROM DISCRIMINATION AND RETALIATION If you:

1. Are a past or present member of the uniformed service;
2. Have applied for membership in the uniformed service; or
3. Are obligated to serve in the uniformed service;

4. Then an employer may not deny you:
 - a. Initial employment;
 - b. Reemployment;
 - c. Retention in employment;
 - d. Promotion; or
 - e. Any benefit of employment because of this status.
- J. In addition, an employer may not retaliate against anyone assisting in the enforcement of USERRA rights, including testifying or making a statement in connection with a proceeding under USERRA, even if that person has no service connection.
- K. If you leave your job to perform military service, you have the right to elect to continue your existing employer-based health plan coverage for you and your dependents for up to twenty-four (24) months while in the military.
- L. Even if you don't elect to continue coverage during your military service, you have the right to be reinstated in your employer's health plan when you are reemployed, generally without any waiting periods or exclusions (e.g., pre-existing condition exclusions) except for service-connected illnesses or injuries.

X. Family Medical Leave Act (FMLA)

- A. The Family and Medical Leave Act of 1993(FMLA), enacted February 5, 1993, allows for "eligible" employees to request and, if approved, receive up to a total of twelve (12) weeks of unpaid leave during any twelve (12) month period for four circumstances:
 1. Because of the birth of a child of the employee and in order to care for the child;
 2. Because of the placement of a child with an employee for adoption or foster care;
 3. Because a spouse, parent, or child (including biological, adopted, foster and stepchildren) of the employee has a "serious health condition" which requires care by the employee; or
 4. Because the employee suffers from a "serious health condition" which prevents the employee from being able to perform the functions of his/her, position.
- B. An "eligible" employee is an employee that has been on the Town payroll for at least twelve (12) months and has worked at least 1,250 work hours during the twelve (12) months preceding the request for leave.
- C. Requests are to be made in writing to the employee's supervisor with approvals as required.
- D. In the case of a leave for the birth of a child or adoption, an employee is required to provide not less than thirty (30) days advance notice or as much advance notice as possible of the intent to take leave.
- E. Employees seeking leave for a foreseeable medical treatment for himself or herself or a family member must also give thirty (30) days' notice or as much notice as possible and, attempt to schedule the treatment so that the leave does not disrupt Town operations.
- F. The Town has the right to request that the medical leave be properly certified by the health care provider and the employee is to provide such certification in a timely manner. If an employee requests a leave to care for a family member, the certification must confirm that this is necessary and contain an estimate of the amount of time involved. When intermittent medical leave is sought, the certification must recite the anticipated dates and duration of treatment.

G. Failure to return to work on the determined return to work day will be considered as a resignation by the employee

H. Approval/Denial of FMLA

The Town Clerk-Treasurer shall notify the employee orally or in writing within two (2) business days as to the approval or denial of their FMLA request, and that any sick, personal, or vacation leave will be set off against the leave pursuant to the Clerk-Treasurer/Department Head's policy regarding it (See "Utilization of Accrued Paid Leave"). Oral notice will be followed by written confirmation by payday' following. If the Clerk-Treasurer/Department Head is late complying with these notice requirements, paid leave may only be set off against FMLA leave prospectively, once notice is given (See "Utilization of Accrued Paid Leave" below.) The Clerk-Treasurer/Department Head shall note the starting and ending dates of leave, reinstatement procedures, and utilization of accrued paid leave. The Clerk-Treasurer/Department Head shall send a copy of this written notice to the Clerk-Treasurer's Office. The Clerk-Treasurer's Office shall notify the employee as to the status of insurance coverage and the employee's contribution, if applicable.

I. Utilization of Accrued Paid Leave

Employees are required to utilize accrued paid leave for all or part of the FMLA twelve (12) week period. Unpaid FMLA shall be authorized when all eligible accrued paid leaves have been exhausted (PTO, vacation). Family and Medical Leave and paid leave, for conditions that qualify under FMLA, run concurrently. The entire twelve (12) week FMLA is not in addition to the paid leave, just any remaining portion after the paid leave time is subtracted.

J. Leave Period

An eligible employee may take up to twelve (12) workweeks of FMLA during a twelve- (12) month period. The twelve (12) month period shall be measured forward from the date the employee's first FMLA begins (e.g., an employee whose eligible FMLA begins September 15, 2012 is entitled up to twelve (12) weeks from September 15, 2012 through September 14, 2013).

Employees may request intermittent or reduced leave schedules to accommodate medically necessary treatment in connection with a serious health condition. Intermittent or reduced leave may not exceed the total hours an employee would have worked during their regular twelve (12) week schedule. If intermittent or reduced leave is approved, the Clerk-Treasurer/Department Head may require the employee to schedule the leave so as not to disrupt the department operation, or the employee may be placed in an alternate position, which better accommodates the intermittent leave schedule.

K. Life Insurance Coverage during FMLA

Employees are entitled to maintain the same life insurance benefits during the FMLA. However, it is the employee's responsibility to arrange through the Town Clerk-Treasurer for their portion of the contribution of monthly premiums.

L. Working While on Family and Medical Leave

An employee who is self-employed, accepts other employment, or works for any other employer during a Family and Medical Leave, must report such work immediately to the Clerk-Treasurer/Department Head.

An employee who is self employed, or accepts other employment, or works for any other current employer, performing work of a like or similar character or exertion which the employee performed for the Town, during Family Medical Leave, shall be considered to have terminated employment with the Town as of the date of such employment began.

Employees described in the immediately preceding paragraph may be required to reimburse the Town for the employer-paid portion of group health insurance premium contributions made while the employee was on leave.

M. Job Restoration

During Family and Medical Leave, every effort will be made by the Town to hold an employee's position open until he/she returns to work.

However, based upon the necessity of continuing operations during an employee's absence, the Town may choose to fill any non-elected position. If the position is filled while an employee is on the FMLA, the Town will make every effort to place the employee in an equivalent position, with equivalent pay, benefits, and other terms and conditions of employment. In addition, the position into which the employee is placed will have substantially similar duties.

NOTE: If an employee's position is eliminated during the time of Family and Medical Leave, through layoff or restructuring, the employee will not be entitled to return to his or her former or an equivalent position.

The Town does not have "light duty" positions, but if a health care provider indicates in writing that an employee is not able to perform all the essential functions of the position, the employee may perform his or her job with restrictions, the Town will make every effort to cooperate with a doctor's written orders for restrictions placed on an employee in order for the employee to perform meaningful and necessary work the Town needs done. Arrangements for restricted work must be made in writing and approved by the Clerk-Treasurer/Department Head in advance of an employee's return.

Employees whose FMLA was for their own personal medical conditions must, prior to reinstatement, submit a medical certification to the Town Clerk-Treasurer as to their ability to return to work, subject to a second medical opinion as deemed necessary by the Clerk-Treasurer/Department Head, or a third medical opinion as provided in the Family and Medical Leave Act.

Employees on FMLA who do not return to work immediately following release from the health care provider as fully restored to perform all the essential functions of his or her positions, shall be considered to have voluntarily terminated employment as the date of the release.

Employment will be terminated if an employee is not able to return to work at the end of the FMLA. There may be exceptions to termination required under the ADA, and the Town will comply with ADA.

N. Definitions under Family and Medical Leave Act

1. **Spouse:** A husband or wife: Unmarried domestic partners do not qualify for FMLA to care for their partner
2. **Child:** A son or daughter, including a child eighteen (18) years or over who is incapable of self-care because of a mental or physical disability
3. **Parent:** A biological parent or an individual who stands in the place of a parent to the employee (in loco parentis). "In-laws" are not included in the definition of parent
4. **Foster Care:** Placement of a child with the employee through a formal agreement for substitute care requiring state action, rather than an informal arrangement to take care of another person's child
5. **Serious Health Condition:** An illness, injury, impairment, or physical/mental condition

that involves a period of treatment that requires absence from employment for more than three (3) calendar days and involves care by a health care provider. Serious health conditions also include continuing treatment of chronic or long-termed incurable conditions and prenatal care.

- O. The Clerk-Treasurer's Office will assist you with any questions in determining a "serious health condition" under the Family and Medical Leave Act.
- P. An Absence Resulting From A Work-related Injury or Illness (Workers' Compensation) will be considered as FMLA leave time if the employee has worked for Town of Culver for at least twelve (12) months and for a minimum of twelve hundred and fifty (1,250) hours in the immediately preceding calendar year. (Not including holidays).
- Q. The employee will be mailed the notification that they are being placed on FMLA during their absence from work while on Workers' Compensation.
- R. On January 28, 2008, President Bush signed into law H.R. 4986, the National Defense Authorization Act for FY 2008, which amends the Family and Medical Leave Act of 1993 (FMLA) to permit a "spouse, son, daughter, parent, or next of kin" to take up to twenty-six (26) workweeks of leave to care for a "member of the Armed Forces, including a member of the National Guard or Reserves, who is undergoing medical treatment, recuperation, or therapy, is otherwise in outpatient status, or is otherwise on the temporary disability retired list, for a serious injury or illness." Under the first of these new military family leave entitlements, eligible employees who are family members of covered service members will be able to take up to twenty-six (26) workweeks of leave in a "single 12-month period" to care for a covered service member with a serious illness or injury incurred in the line of duty on active duty.
- S. Qualifying Exigency Leave: The second new military leave entitlement helps families of members of the National Guard and Reserves manage their affairs while the member is on active duty in support of a contingency operation. This provision makes the normal twelve (12) workweeks of FMLA job-protected leave available to eligible employees with a covered military member serving in the National Guard or Reserves to use for "any qualifying exigency" arising out of the fact that a covered military member is on active duty or called to active duty status in support of a contingency operation. The Department's final rule defines qualifying exigency by referring to a number of broad categories for which employees can use FMLA leave: (1) Short-notice deployment; (2) Military events and related activities; (3) Childcare and school activities; (4) Financial and legal arrangements; (5) Counseling; (6) Rest and recuperation; (7) Post-deployment activities; and (8) Additional activities not encompassed in the other categories, but agreed to by the employer and employee.
 - 1. **Active Duty:** The term "active duty" means duty under a call or order to active duty under a provision of law referred to in section 101(a) (13) (B) of title 10, United States Code.
 - 2. **Covered Service Member:** The term "covered servicemember" means a member of the Armed Forces, including a member of the National Guard or Reserves, who is undergoing medical treatment, recuperation, or therapy, is otherwise in outpatient status, or is otherwise on the temporary disability retired list, for a serious injury or illness.
 - 3. **Outpatient Status:** The term "outpatient status", with respect to a covered servicemember, means the status of a member of the Armed Forces assigned to:
 - a. a military medical treatment facility as an outpatient; or
 - b. A unit established for providing command and control of members of the Armed

Forces receiving medical care as outpatients.

4. **Next of Kin:** The term “next of kin”, used with respect to an individual, means the nearest blood relative of that individual.
 5. **Serious Injury or Illness:** The term “serious injury or illness”, in the case of a member of the Armed Forces, including a member of the National Guard or Reserves, means an injury or illness incurred by the member in the line of duty while on active duty in the Armed Forces that may render the member medically unfit to perform the duties of the member’s office, grade, rank, or rating.
 6. **Combined Leave Total:** During the single twelve (12) month period described in paragraph (3), an eligible employee shall be entitled to a combined twenty-six (26) workweeks of leave.
- T. The aggregate number of workweeks of leave to which both a husband and wife (if they are employed by the Town) under this leave may be limited to twenty-six (26) workweeks during the single twelve (12) month period.
- U. **Military Caregiver Leave (also known as Covered Service Member Leave):** Eligible employees who are family members of covered service members will be able to take up to twenty-six (26) workweeks of leave in a “single twelve-12) month period” to care for a covered service member with a serious illness or injury incurred in the line of duty on active duty. This twenty-six-(26) workweek entitlement is a special provision that extends FMLA job-protected leave beyond the normal twelve (12) weeks of FMLA leave. This provision also extends FMLA protection to additional family members (i.e., next of kin) beyond those who may take FMLA leave for other qualifying reasons.
- V. **Qualifying Exigency Leave:** The second new military leave entitlement helps families of members of the National Guard and Reserves manage their affairs while the member is on active duty in support of a contingency operation. This provision makes the normal twelve (12) workweeks of FMLA job-protected leave available to eligible employees with a covered military member serving in the National Guard or Reserves to use for “any qualifying exigency” arising out of the fact that a covered military member is on active duty or called to active duty status in support of a contingency operation. The rule defines qualifying exigency by referring to a number of broad categories for which employees can use FMLA leave: (1) Short-notice deployment; (2) Military events and related activities; (3) Childcare and school activities; (4) Financial and legal arrangements; (5) Counseling; (6) Rest and recuperation; (7) Post-deployment activities; and (8) Additional activities not encompassed in the other categories, but agreed to by the employer and employee.
- W. One of the definitions of serious health condition involves more than three (3) consecutive, full calendar days of incapacity plus “two visits to a health care provider.” Because the current rule is open-ended, the Tenth Circuit has held that the “two visits to a health care provider” must occur within the more-than-three-days period of incapacity.
- X. Under the rule, the two visits must occur within thirty-(30) days of the beginning of the period of incapacity and the first visit to the health care provider must take place within seven days of the first day of incapacity. A second way to satisfy the definition of serious health condition under the current regulations involves more than three consecutive, full calendar days of incapacity plus a regimen of continuing treatment. The final rule clarifies here also that the first visit to the health care provider must take place within seven days of the first day of incapacity. Thirdly, the final rule defines “periodic visits” for chronic serious health conditions as at least two visits to a health care provider per year since that provision is also open-ended in the current regulations and potentially subjects employees to more stringent requirements by

employers.

- Y. Substitution of Paid Leave: FMLA leave is unpaid. However, the statute provides that employees may take, or employers may require employees to take, any accrued paid vacation, personal, family or medical or sick leave, as offered by their employer, concurrently with any FMLA leave. This is called the “substitution of paid leave.” Under the rule, all forms of paid leave offered by an employer will be treated the same, regardless of the type of leave substituted (including generic “paid time off”). An employee electing to use any type of paid leave concurrently with FMLA leave must follow the same terms and conditions of the employer’s policy that apply to other employees for the use of such leave. The employee is always entitled to unpaid FMLA leave if he or she does not meet the employer’s conditions for taking paid leave and the employer may waive any procedural requirements for the taking of any type of paid leave.
- Z. Employer Notice Obligations: Employers are required to provide employees with a general notice about the FMLA (either through a poster, or an employee handbook or upon hire); an eligibility notice; a rights and responsibilities notice; and a designation notice. In order to ensure employers are able to inform employees under the new notice provisions, the final rule extends the time for employers to provide various notices from two (2) business days to five (5) business days.
- AA. Employee Notice: The final rule modifies the current provision that has been interpreted to allow some employees to provide notice to an employer of the need for FMLA leave up to two full business days after an absence, even if they could have provided notice more quickly. Lack of advance notice (e.g., before the employee’s shift starts) for unscheduled absences is one of the biggest disruptions employers point to as an unintended consequence of the current regulations. The final rule provides that an employee needing FMLA leave must follow the employer’s usual and customary call-in procedures for reporting an absence, absent unusual circumstances. The final rule also highlights (without changing) the existing consequences if an employee does not provide proper notice of his or her need for FMLA leave.
- BB. Medical Certification Process (Content and Clarification): The final rule, which is the result of significant stakeholder feedback (including a fall 2007 meeting at the Department of medical certifications), recognizes the advent of the Health Insurance Portability and Accountability Act (HIPAA) and the applicability of the HIPAA privacy rule. The employer’s representative contacting the health care provider must be a health care provider, human resource professional, a leave administrator, or a management official, but in no case may it be the employee’s direct supervisor. Further, employers may not ask health care providers for additional information beyond that required by the certification form. In addition, the rule specifies that if an employer deems a medical certification to be incomplete or insufficient, the employer must specify in writing what information is lacking, and give the employee seven calendar days to cure the deficiency. These changes will improve FMLA communications, protect the privacy of workers, and help ensure that the employees who need leave will get it and not be subject to repeated requests for additional information or be denied FMLA leave on a technicality.
- CC. Medical Certification Process (Timing): Employers may request a new medical certification each leave year for medical conditions that last longer than one year. Employers may generally request a recertification no more often than every thirty-(30) days and only in conjunction with an FMLA absence unless a minimum duration of incapacity has been specified in the certification, in which case recertification generally may not be required until the duration specified has passed. An employer may request recertification of an ongoing condition every six (6) months in conjunction with an absence.

DD. Fitness-For-Duty Certifications: The FMLA regulations allow employers to enforce uniformly applied policies or practices that require all similarly situated employees who take leave to provide a certification that they are able to resume work. This is called a “fitness-for-duty” certification. The final rule makes two changes to the fitness-for-duty certification process. First, an employer may require that the certification specifically address the employee’s ability to perform the essential functions of the employee’s job. Second, where reasonable job safety concerns exist, an employer may require a fitness-for-duty certification before an employee may return to work when the employee takes intermittent leave.

Insurance Coverage

I. Medical Insurance

Any employee of the Town whose regularly scheduled workweek is thirty-six (36) or more hours and who is working in a position designated and approved by Town Council, as a permanent full-time position is eligible to participate in the group health insurance plan.

The town offers PPO and High Deductible health insurance plans for eligible employees. The town will contribute \$125 per month to a health savings account for those employees electing the high deductible plan.

II. Life Insurance

The Town of Culver furnishes its employees with Life Insurance along with its Group Health Insurance Plan.

III. Retirement Benefits

It is the policy of the Town to provide employees with retirement benefits through a variety of coverages.

A. Social Security

1. The Town participates in the Social Security Program. This involves contributions for employee retirement from both the employee and the Town. This is done through Federal Insurance Contributions Act (FICA) taxes.

B. Pension Plan – INPRS

1. Eligibility for membership: an employee must be working in a regular full-time position and must work at least one thousand (1,000) hours per year to be eligible for participation in PERF (Public Employees Retirement Fund). Membership will become automatic upon employment. The employee must, upon hire, complete the application for membership. By special resolution, elected officials presently elected to the Town of Culver public office, including Town Council, are eligible for participation.
2. Contributions
 - a. The Town contributes a yearly amount determined by a pension plan specialist to fund the employer pension obligations.
 - b. The employee is required by State Law to contribute a percentage of their gross wages to the Fund.

IV. Workers' Compensation

Workers' Compensation Insurance provides coverage for work-related injuries and illnesses as required under the Workers' Compensation laws of the State of Indiana. Workers' Compensation Insurance covers all authorized expenses related to the treatment of a work-related illness or injury and provides "lost time benefits" when an employee must be absent from work on a Workers' Compensation Disability Leave.

A. Reporting A Work-Related Injury Or Illness

1. Any illness or injury related to an employee's work assignment must be reported to the Clerk-Treasurer/Department Head so that the necessary forms can be completed and sent with the employee prior to evaluation and treatment, if possible. The Town will inform an injured employee of its approved medical facility at the time of injury.
 2. The supervisor or injured employee must notify the Clerk-Treasurer as soon as possible so that all claims and compensation can be administered properly and in a timely manner.
- B. Employees may use, personal leave, comp time, or vacation time only for the first seven (7) consecutive days following a work-related illness and/or injury. After that period of time, employees are eligible for workers compensation covering a portion of the employee's wages.
1. If the absence from work extends longer than twenty-one (21) calendar days, the initial seven-day waiting period will be retroactively paid by the Workers' Compensation Insurance Carrier.
 2. If the employee is off work due to the injury/illness for an extended period of time, credit to accumulated personal leave, comp time, or vacation time will be used to equalize any eligible indemnity payments for the first seven (7) work days.
- C. Employees off work due to a work-related injury/illness and who are covered by workers compensation will be credited with their normal vacation and sick time accrual, as well as continued insurance coverage.
